3. The first screen you will see is this one:

   - **Submission and payment**
     - I paid for my application but was told it was not yet submitted. Please forward the receipt you received. We will mark your payment as complete, and you will be able to see this in your status.
     - I submitted my application before midnight but it looks like I missed the deadline! Don't worry! The servers for the UCLA Application for Graduate Admission operate on Eastern time. As long as the application is submitted by 2:59 a.m. Eastern time on the day after the deadline, the application is considered on time.

There may be an applicant or student already in the database who has the same name and a very similar birthdate. Perhaps you applied under a different name. We want to be sure your data is correct and loaded correctly, and we may need your help to determine if a correction is needed. We send hundreds of these emails near major deadlines (e.g., November 1, December 1, December 15), and it may take several days for us to get back to you when you respond.

Please upload these respectively in these sections of the application.]
ED&IS requires an additional essay or statement, depending upon your specific program of interest. Unless specified, each essay or statement should be 3-5 pages, double-spaced, 12-point-font.

For Doctor of Education in Educational Leadership Program (3-5 pages): Please describe (1) your professional objectives, (2) how ELP can help you to achieve your objectives over the next 10 years, (3) the key experiences that have helped to shape your commitment to education, and (4) one or two professional accomplishments that reflect your leadership or potential for leadership in education.

8. In Academic History & Transcripts, you will enter the institutions you attended and upload transcripts. If you only took a few classes at an institution, you do not need to include that. This should just be where you did significant coursework (e.g., an AA degree at a Community College; BA degree; graduate degree).

The transcripts you upload may be unofficial; however, please make sure you can see the name of the institution on the transcript for where you earned your bachelor’s degree and/or graduate degree or where it may be in progress.

We will only need an official transcript from you should you be admitted and accept admission.

If you are currently attending school, you can add the courses you are taking in the Work in Progress Section.
9. In Additional Academic Info, you will add the Major, GPA and GPA Scale (e.g., 4.0 or 100) for each institution. Please note: Faculty only consider the cumulative GPA. You can estimate your Major GPA.

10. Upload your Resume/CV in the next section.

11. The Statement of Purpose is a requirement of all graduate applicants to UCLA and all applicants answer the same prompts in 500 words (approximately 1-page, single spaced, using 1-inch margins and 12-point font):

All recommendations must be submitted by the established deadline in order to be considered. Recommendations are completed and submitted online.
18. Fee Waiver

There are two ways to be eligible for a fee waiver: program based or financial-need based. On this Tab, you indicate if you are a program participant eligible for a fee waiver. Acceptable financial fee waiver documentation includes a letter from the Financial Aid Office at your current institution confirming that paying the application fee would be a financial hardship OR proof you are currently enrolled in an institution along with your most recent FAFSA. You **must** upload the financial need-based documentation on this tab.

*If you are not eligible for a fee waiver, you must pay the application fee.*

Pay the fee and submit the application.
